KEY BENEIFTS OF THIS COLLABORATION FOR CHANNEL PARTNERS

Benefit 1

Stop chasing Inventory. Start Closing Faster

Without ChannelPartner.Network

- Manually collecting inventory updates from 15-20 developers
- Constant calls, e-mails, and outdated Excel sheets
- Wasting hours tracking the latest availability

Too much time spent chasing inventory updates

With ChannelPartner.Network

- Automatic, centralized inventory updates every week
- One dashboard for live availability from multiple developers
- Spend time with clients, not chasing inventory

All inventory in one place, always up-to-date.

Benefit 2

Offer Personalized Showings. Build Lasting Relationship

Without ChannelPartner.Network

- **Family schedules misaligned** with property offerings
- **Unmet expectations** lead to no-show site visits

Prospects promise site visits, but don't show up.

With ChannelPartner.Network

- Remote pre-site visit matchmaking offers comfort
- Inquiries view filtered sites remotely first, gain confidence
- Plan site visits with clear expectations and intent

Pre-qualified, serious site visits lead to higher conversions

Benefit **3**

Safeguard Your Leads. Build Trust and Confidence

Without ChannelPartner.Network

- Fear of leads being bypassed
- Worried about data leakage and customer poaching
- Captured leads going dark after sharing

Lead leakage and bypass risk

- Worried about leads being lost or taken over

With ChannelPartner.Network

- Leads tagged with secret codes only you control
- Leads visible only to you and verified developers
- Complete lead tracking and confidentiality

Lead data protected. 100% trusted.

- Rest assured. Your leads are safe.
  Your commissions are secure.

Benefit 4

Extending Reach & Enquiries Beyond Location Bias

Without ChannelPartner.Network

- Local boundary limits scope of work
- Inquiries dismissed if outside service area

Regional restrictions limit opportunities

- Inquiries from outside the region are turned away

With ChannelPartner.Network

Remote pre-site visit matchmaking — irrespective of inquiry location.

- ✔ Confidence built before travel.
- ✔ Cross-region collaboration.
- ✔ Higher conversion intent.
- ✔ Stronger commission security.

Benefit **5**

24/7 Available

KEY ADVANTAGES OF THIS COLLABORATION FOR DEVELOPERS

Developer Advantage **1**

Real-Time Project Performance Dashboard

See what is happening across your projects —
without exposing customer data.

Project Visibility

- Total showcases per project
- Active sessions running
- Site visits generated

Channel Partner Insights

- Which CP is actively showcasing
- Sessions conducted per CP
- Conversion movement by project

Conversion Intelligence

- Session-to-site visit ratio
- Trends across weeks
- Early demand indicators

Customer identity remains secret-coded.
Performance visibility remains transparent.

Developer Advantage **2**

Cross-Region Distribution Engine

Break free from local limitations — enable verified channel partners globally to showcase and qualify buyers from other cities and countries.

Expanded Reach

- Connect with top CPs across multiple cities and NRIs worldwide

Remote Pre-Site Qualification

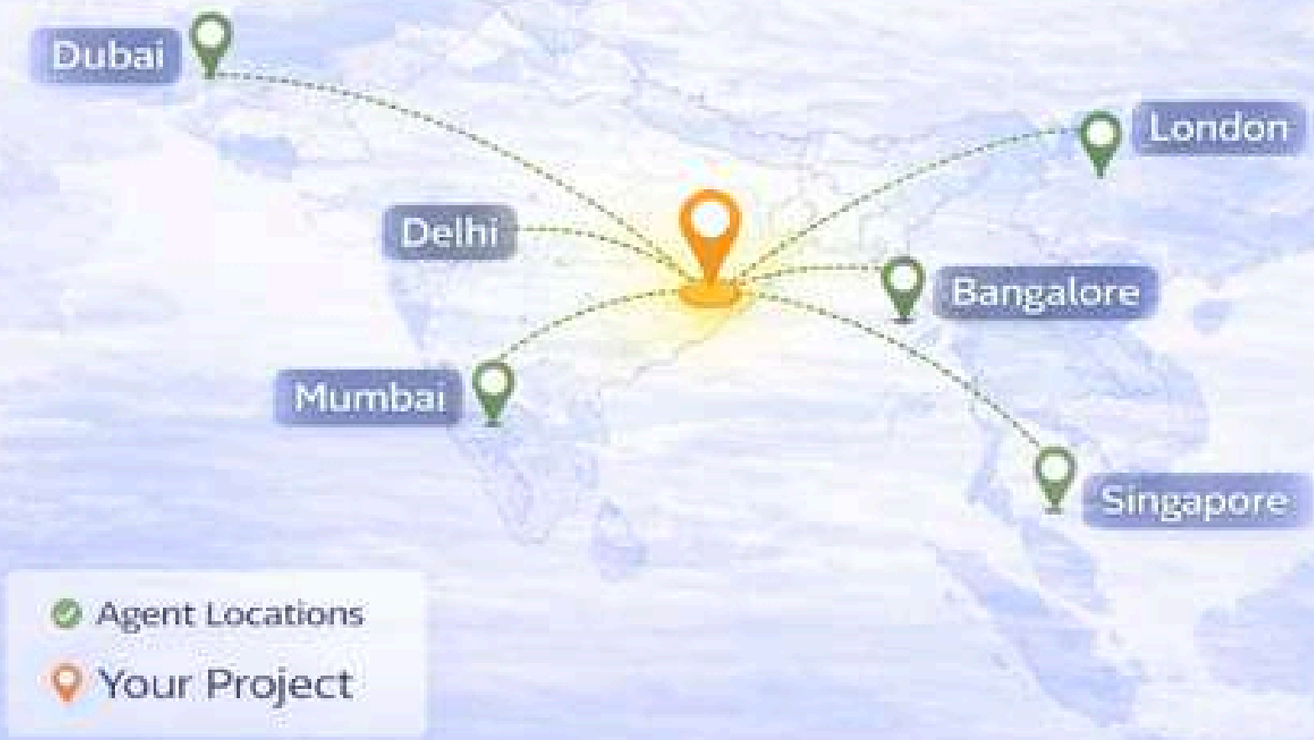
- Get cross-region buyers pre-qualified before they travel

Global Buyer Pools

- Access NRI, relocation, and cross-city investment interest

Network-Powered Sales

- Your inventory is no longer city-bound, it's network-bound.



Your inventory is no longer city-bound, it's network-bound.

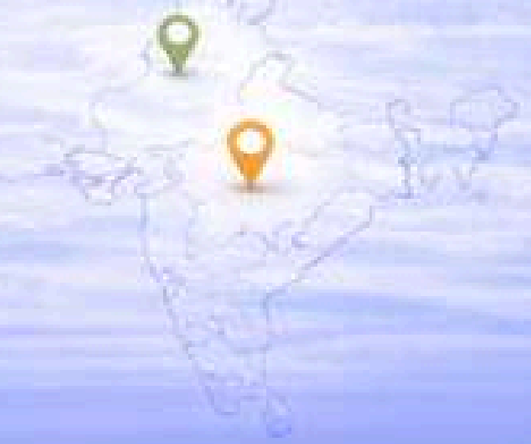
Developer Advantage **3**

Higher-Intent Site Visits

Remote matchmaking ensures buyers arrive at sites already aligned on budget, unit type, and expectations.

- **Qualified Prospects Only**
  - Channel partners pre-align buyers remotely, focusing exclusively on serious candidates
- **Time-to-Decision Buyers**
  - NRIs and cross-city leads arrive prepared, reducing site visit drop-offs
- **Higher Closure Rates**
  - Site visits shift from exploration to confirmation

Channel partners bring prospects aligned to your inventory, ready to transact.



Developer Advantage **4**

Measurable Channel Partner Performance

Identify high-performing channel partners, assign incentives, and drive more project success.

- **Performance Analytics**
  - Pinpoint which CPs conduct the most sessions, leads, and conversions
- **Incentive-Driven Results**
  - Use data to assign pecise held and, the vous top-CP
- **Conversion Tracking**
  - Gauge partners (he visits and panionge complete!)
- **Performance Ratings**
  - Rank your top-op-forming CPs over various timeframes

ChannelPartner.Network powers strategic developer decisions.

Developer Advantage **5**

Inventory Amplification Engine

Promote priority projects. Steer distribution. Accelerate velocity.

Highlight Priority Projects:

- Tag key inventory as "Priority," boosting visibility across the CP network.

Push Special Schemes & Offers:

- Feature limited-time offers or incentives to drive urgent action.

Focus Developer-Driven Promotion:

- Send high-priority inventory to the top of CP dashboards

Track and Optimize Performance:

- Measure traffic, visits, and responses to manage campaigns

Promote priority projects. Steer distribution. Accelerate velocity.

THANK YOU
